

## MATER DEI SCHOOL SCHEDULE OF FEES – 2025 CALENDAR YEAR

While ever mindful of the current pressures on families with increasing cost of living expenses, the increase to school fees remains consistent with previous years and has been approved by the Mater Dei Board. We remain committed to supporting families the best way that we can and therefore keep our fees as low as possible, including offering a discounted amount for fees paid in full by the end of Term 1. As always, the timely payment of school fees is appreciated.

Fees are comprised of Tuition and a Sports Levy per student, and a Capital Levy per family. The Tuition Fee will cover the common materials required by each student, transport costs, photocopying and some administration expenses. Voluntary contributions of \$70.00 per term (\$280.00 annually) to the school building fund help ensure the high quality of facilities offered at Mater Dei. These contributions are receipted separately and are fully tax deductible.

Any family experiencing genuine financial hardship resulting in a reduced capacity to fulfil their financial obligations to pay school fees, must contact the Principal in the first instance for a confidential conversation so that an arrangement can be made to suit individual needs and commitments.

### **CONFIRMATION OF ENROLMENT FEE**

A \$350 fee is payable for each new student to confirm their enrolment at Mater Dei. This payment is to be accompanied by the family's acceptance of Mater Dei's Letter of Offer. If a family forfeits their place of enrolment before the commencement of the school year, this fee is non-refundable. Where a student commences enrolment, this fee will be wholly deducted from the first term's fee charge.
